DEVOJOYTI PAL

Vellore Institute of Technology - VIT Vellore   **CGPA: 9.13**
Bachelor of Technology - BTech - CSE
2020 - 2024
Contact: **9343157138**
Email: **paldevojoyti@gmail.com**
LinkedIn: linkedin.com/in/devojoyti-pal-22632b1b8/
Portfolio: devojoyti-pal.netlify.app

Skills

- **Programming Languages:** C/C++, Java, Python
- **Web Development:** HTML, CSS, JavaScript, React, Node.js, PHP, XML, Jquery, EJS, Bootstrap, Material UI, Tailwind CSS
- **Database Systems:** SQL, PostgreSQL, MySQL, MongoDB, Firebase
- **Version Control:** Git
- **Operating Systems:** Windows, Linux

Projects

- **WhatsApp Clone**
  Developed a clone of the WhatsApp application using React and Node.js. Implemented real-time messaging, group chat, and file sharing features.

- **Web Finance Tracker**
  Web application that enables users to keep track of their expenses and incomes by storing all information and constructing an illustrative graph of their financial activities.

- **Connectify – A Social Media Application**
  Created a MERN social media application using React.js, Node.js, and MongoDB. The project incorporates React Hooks, Context API, Functional React Components, Node.js REST API, JWT, and File Upload.

- **Google Keep Clone**
  Built a clone of Google Keep using React.js and Material UI. The project allows users to create notes with a title and description, allows them to delete, archive, restore, and permanently discard their notes.

- **Zoom Clone**
  Created a Zoom Clone using Node.js, Express.js, Peer.js, and Socket.io. The project allows users to create and join video chat rooms.

Achievements

- **Merit Scholarship** for I Year, B.Tech. Computer Science and Engineering
- Served as a **Programme Representative**, 2020-2021
- Cleared Coding Round of **Bitnine Global Inc**
- Cleared Coding Round of **UPL**
- Cleared Cognitive and Technical Assessment of **Accenture**
- Got **200/200** in Semi-Finals of **Techgig's Code Gladiators** Contest (Results yet to be declared)
- **Microsoft SC-900 Certified** - Security, Compliance and Identity
